Registration, examination and certification (Only if they are mandatory to the Apprenticeship)
All apprentices are registered at the relevant time according to the awarding organisation and EPA requirements. We are committed to ensuring that all certificates are claimed and forwarded to the apprentice in a timely manner.
Materials (non-capital items) used in the delivery of the apprenticeship
During the course of the apprenticeship, a wide range of materials may be utilised for your benefit, these may include, but are not restricted to; • Comprehensive e-portfolio systems to support you in managing your training • E-learning materials

• Workshop materials and supporting documentation • Distance learning resource packs and assignments • Videos and interactive resources
Administration costs directly linked to training and assessment, including end-point assessment. This includes costs relating to the development of teaching materials, lesson planning, the processing of the ILR and quality assurance
Reasonable administration costs will be incurred to ensure your training journey is recorded appropriately to enable quality controls and good preparation for end-point-assessment

Department for Education

Kent Business College

End Point Assessment Organisation:

Assessment Organisation	Chartered Institute of Marketing	Postcode	SL6 9QH
In Accordance with Data Protection Act 1998 and with the Apprentices agreement, Kent Business College will provide the End Point Assessment Organisation with the required Apprentice details to allow the End Point Assessment, any possible retakes and certification to take place			
Detail below the arrangements for end-point assessment including arrangements for any re-takes			
We will work with our partners for End Point Assessment of the standards that we deliver. • We will support up to one resit within the funding provided. • Where more than one resit is required, we will ask the employer to provide these costs • We will agree with the employer a robust plan to ensure apprentices meet Gateway requirements within an agreed timeframe, however where an employer has not allowed the apprentice sufficient time for off the job training, delaying the apprentice's entry into the Gateway we will invoice the employer for 50% of the cost of the EPA, refundable when the EPA is completed. • Where the apprentice is enrolled to an apprenticeship standard, we will pay all agreed sums on receipt of invoice for the apprentice to enter the Gateway.			
Please detail below the agreed transaction for payments to EPA Organisation			
We will make the initial deposit to EPAO in month one (where required) followed by the remaining fee at Gateway point, upon invoice from EPAO.			
Name of External Quality Assurance Organisation			

Costs:

(Please ensure that any prior knowledge the Apprentice may have has been accounted for and costs reduced to reflect accordingly. See Learning Plan for details)

Please detail below the agreed transaction for payments between the Employer & Kent Business College
A payment schedule and payment terms are detailed within the Contract of Services agreed between ourselves as the main provider and the employer.
Please detail below the agreed process for repaying any possible overpayments to the Employer
This will be through monthly payments. The Finance and Operations teams follow processes that will identify possible overpayments to the employer. Finance and Operations will ensure employer payments cease in a timely manner when the learner has come to their completion end date. In line with our Contract Agreement, any over payments would be aimed to be refunded within 30 days
